

LETTER OF APPROVAL

This is to confirm that:

Nutralia SRL

Location: Argentina

has been audited and approved by Intertek on
behalf of the GAIN Premix Facility

GAIN supplier approval status requires that a prescribed food safety certificate is achieved and maintained. Suppliers must also pass a GAIN site audit to a satisfactory standard.

The current validity of approval status may be verified either on the GAIN Premix Facility supplier webpage: <https://gpf.gainhealth.org/suppliers/current-suppliers> [gpf.gainhealth.org] or by contacting the GAIN Premix Facility team at premixfacility@gainhealth.org

Date of Audit:

26-Jan-2022

Approval expiry:

26-Jan-2025

Audit type:

on-site

Audit result:

96,1%

Approved for:

Dry Premix
